Selectmen's Town Report

As Chairman of the Board of Selectmen, I would like to thank all of officials, employees, committees, and contractors for stepping up during this challenging year with the pandemic. The Board of Selectmen has seen many of these people go above and beyond expectations and it is appreciated.

This year there was a new roof put on the Old Town Hall.

The Fire detector system is coming along nicely.

The Ridge Road Salt Shed was completed. Thank you to Can Brothers and Moody Builders.

Jon Hotchkiss stepped down from his selectman's position after 9 years of service. Jon's experience and understanding of town government is missed now and will be in the future.

Chuck Therriault was appointed to fill Jon Hotchkiss' term. The Board of Selectman would like to thank him for serving the town.

Town of Middleton Board of Selectmen

Jim Knapp, Chair

Joe Varga, Vice Chair

Chuck Therriault, Selectman

Warrant Articles for Town Meeting 2021

To the inhabitants of the Town of Middleton, in said state and county, qualified to vote in Town affairs:

Report of the Town Clerk/Tax Collector

Dear Residents,

What a year 2020 has been! I want to thank you all for working with me through these difficult times. I was able to keep the Clerk's office open during most of the transitional times with Covid-19 and conduct business, although with a bit of a twist to our conventional ways. Your patience as we all worked through the emergency orders has been greatly appreciated.

— Early last year, I welcomed Cyrus Hiraldo as Deputy Town Clerk. He has worked diligently and received his Certification from the State of New Hampshire in the fall after attending training given by the state. He has come a long way in the past almost year and we both still learn something new every day. Thank you Cyrus!

— Here is the yearly reminder that the Dog License Tags are in for 2021. Dogs need to be licensed by April 30, 2021 to avoid any late and civil forfeiture fees. In speaking with our Animal Control Officer, Theresa Jones, she is planning on having the Rabies Clinic in the spring. Stay tuned for more information that will be coming.

As a reminder the office has for your convenience, online bill pay for Motor Vehicle renewals, Real Estate Taxes, Vital Records and Dog License renewals. You can find the links on our Town Website under the Town Clerk page.

I wish you all well and hope for a wonderful 2021 to come!

Respectfully,

Janelle Guarino
Town Clerk/Tax Collector
Middleton NH

Highway Department Report 2020

Another year has come and gone.

It has turned out to be a successful one. We started the year with road projects on Ridge Road and New Portsmouth Road, both roads had new culverts installed. They both had a lot of roadbed issues unsuitable materials removed and replaced with gravel processed in our pit on Kings Highway. We put a based paved, this is a huge savings to the Town. We have screened sand for years but appears the materials for sand are depleted and will need to purchase sand in future.

Drainage and Ditch work done on Spruce Road and Maple Road. Ditch work on Ridge Road from New Portsmouth road to the Bridge. Continued maintenance on equipment and gravel roads.

So far this Winter only one large storm in December we received 22" of snow. We had a lot of mix precipitation in December, also a major ice storm which caused a lot of tree damage to be cleaned up in the Spring.

Materials usage is down but its only February!

At this time, I would like always to thank my crew, Ed Brannan, Rob Page, Pete Masse, and part-timer Lance Sherwood for their dedication and hard work. Thanks to Butch Barron from Barron Brothers Development and Chuck Therriault from Can Brothers on road projects. In closing I really want to thank previous Board of Selectmen and all the residents for their support over the last 25 years I have decided to move on in life and will no longer be your Road Agent as of February 22, 2021. Also, I wish good luck to Pete Masse he has also decided to move on after 20 years of service to the town. Good Luck to all and stay Safe!!

Respectfully Submitted,

Rick Washburn

As Chief of Police, I strongly believe in community policing, and in a teamwork approach to successfully achieve our goals. Under my command the Middleton Police Department continued to carry out our mission to provide excellent service while protecting and caring for the well-being of our community.

As you all know, 2020 was a challenging year as we endured the Covid-19 Pandemic, as well as Civil Unrest throughout our country. Despite this Global Health Pandemic and turmoil, the Middleton Police Department has continued to provide proactive, community-orientated police services to our community, making Middleton a safe place to live, work and visit.

Sergeant Swift, Detective Owen, Patrolman Saltzman, Animal Control Officer Theresa Jones, and our Part-time Officers (Harding, Nirgianakis, Hyde, and Sobel) have worked diligently to serve and protect our community throughout the year. I truly appreciate everything our officers do, and I am proud to work with them all.

In 2020, our Administrative Assistant Rocky Pageau retired after many years of dedicated service. We will miss Rocky and wish her the best that retirement can offer! Sierra Pawnell was hired as Administrative Assistant, she is a great addition to our team, she has a great personality, is hard-working and pays great attention to detail. Part-time Patrolman Hunter Roy is another great addition to our team, as he is a highly skilled, proactive and community focused officer.

Law enforcement is a dangerous job, and the 2020 FBI statistics sadly continue to show this. In 2020, three hundred twenty-eight (328) Law Enforcement Officers died in the line of duty. Also, in 2020, twenty-one (21) Law Enforcement K9's died in the line of duty. This data serves as a harsh reminder of how dangerous Law Enforcement is, and the many dangers that Police Officers face on a daily basis throughout the United States. With that being said, I would like to thank our dedicated and talented officers for everything they do to make Middleton a safe community to live, work and visit.

Our mission could not be completed without the strong support we received from the Middleton Board of Selectmen: Jim Knapp, Joe Varga, Jonathan Hotchkiss, and Chuck Therriault. Thank you for all you do for our great town!

In 2021, we will continue to work closely with the Middleton Elementary School, Middleton Fire Rescue, Middleton Highway Department, Town Hall Staff, and all local mutual aid departments. I believe we are all one team, and our purpose is to help each other accomplish our goals. I am very proud of the Middleton Police Department and what we accomplished in 2020. I look forward to continued successes in 2021.

Respectfully submitted,

Greg Cooper
Chief of Police

As you all know, 2020 was a challenging year as the world endured the Covid-19 Pandemic. As your Emergency Management Director, I worked hard to get needed resources for the Town of Middleton. I supplied the Middleton Police Department, Middleton Fire/Rescue and Middleton Municipal Building with much needed: PPE (Personal Protective Equipment) Masks, Gloves, Goggles, Gowns and Face Shields, as well as Antibacterial/Disinfectant sprays, wipes and cleaning supplies.

I also applied for Federal grants for supplies and lobbied for the Town for Federal reimbursement for costs incurred due to the Covid-19 Pandemic.

As always, I will continue to work closely with FEMA, and NH Homeland Security/Emergency Management, to continue to provide the Town of Middleton with the very best in Emergency Management services.

As a reminder, please visit ReadyNH.gov, New Hampshire's official source for information during state emergencies. At ReadyNH.gov you can stay informed with the latest safety information using Homeland Security and Emergency Management's Twitter and Facebook feeds, be aware of dangers in your area using NH Alerts, and learn what to do before, during and after a disaster. This is a great website that includes resources such as emergency contact cards, what you should have in your emergency kit, as well as a family emergency planning guide.

Respectfully submitted,

Greg Cooper
Middleton Emergency Management Director

2020 in Review from the Middleton Planning Board

2020 was a year of challenge for the Planning Board. We held new internal board elections and are proud to congratulate Roland Simino for his advancement to Vice-Chair. He was able to run his first public hearing in December and did a great job! We also welcomed Roxanne Tufts-Keegan to the Board. She has brought a new perspective to the table and is a wonderful addition to the Board.

Due to the COVID-19 pandemic, we saw a decrease in applications this year. However, we still had a few exciting applications- we held a public hearing for a storage unit facility over the phone, which was a new experience for many of us on the Board. We had a few presentations for new business ventures brought before us that are still in the conceptual phase. We are looking forward to continuing to work with those applicants.

We are looking for one or two alternate members for the Planning Board. If you are interested, please reach out to any Planning Board member or Janelle Guarino, the Planning Board Clerk.

The Board's goals for 2021 are ambitious, and we look forward to a great new year for the Middleton Planning Board!

Due to the Covid-19 pandemic the Assessing Department did see a change in days and hours. Assessing Department hours are now Tuesday 8:30am – 4:30pm, and Wednesday 7:30am – 3:30pm to help assist with abatements, tax exemption applications or to discuss any questions or concerns you may have regarding your property assessment.

As usual, our assessor from Avitar will be visiting properties to review any new or unfinished construction projects, and properties that may have requested Avitar to come out to their property. If you have filed an abatement, it is possible that the Assessor may visit your property as well.

Please be advised, any person visiting your property for assessing purposes from Avitar will be identified with a picture ID.

If you have any questions and would like to go over your assessment, please don't hesitate to call (603)473-5208 or email assess@middletonnh.gov.

Respectfully submitted,

Sierra Pawnell
Assessing Clerk

In 2020 the Middleton Fire-Rescue Department responded to over 200 calls for service combined. It is a constant struggle in our small Town to provide 24 hour coverage for these calls. Weekdays are especially hard as our on-call members are at work out of Town. We have come to rely heavily on the Communities surrounding us to cover our calls and to provide service to the residents and visitors of Middleton. I would like to thank these communities for helping the Town of Middleton. We are always looking for new members. If you are at all interested, please reach out as we would love to have you!

The Department would like to thank the Towns people for their support at Town Meeting in March for approving the purchase of new battery-operated hydraulic rescue tools known as the "Jaws of Life". These tools are a huge improvement over our previous tools, and they allow us to be able to cut newer generation vehicles that we were unable to cut with our older tools. Our members have been trained on the new tools and they are currently in service on Engine 1.

Last but not least I would like to thank the members of the Middleton Fire-Rescue Department and their families for their selfless dedication, time and commitment to the Department. None of this would be possible without you.

Respectfully Submitted,

Jake Bourdeau

Fire Chief

MIDDLETON, NH RECREATION COMMITTEE

2020 was certainly a challenging year!

The Middleton NH Recreation Committee had our very first bake sale at the Middleton Elementary School deliberation session! The school welcomed us with open arms.

Thank you to the Middleton Fire Department for the 1st ever Easter Bunny parade!

We needed to get creative this year. With the fantastic volunteers and community, we have been able to decorate (creating "scatter") in the center of town not once but 3 times for Halloween, Thanksgiving and Christmas. 90% of all the displays were donated or previously purchased items. We appreciate all the generosity from the townspeople.

We hosted a Halloween Trunk or Treat event Covid-19 style. While those that decorated their trunks were not handing out candy, the children were able to get an awesome goody bag filled with fun surprises. Those trunk displays were amazing! The residents of Middleton were happy to get out and have fun.

Christmas became the biggest holiday of the year! We had a drive around scavenger hunt out for families to participate in. We are super excited that the 2nd Annual House Lighting contest grew from 14 houses to 27 this year!! Participants certainly lit up the town! The Middleton Recreation Committee along with town residents were able to hand out Christmas Bags to the children in town this year. It was a "drive through" event which, while different, was amazing. The children loved seeing Santa and his Reindeer in Training at the Old Town Hall.

While we were unable to host any in person events this year due to Covid we managed to bring some spirit to the town while keeping everyone safe. We do look forward to some social distancing events and outside events in 2021 for the entire family. Fingers crossed! Look for more details. "STEPPING IN CIRCLES" walking club will be starting in 2021! Please ask to join the Middleton NH Recreation Facebook page. This is open to all residents. Residents are encouraged to come to meetings and join the fantastic "team" that makes it all happen.

I, personally, want to thank each one of you that: donated candy canes, held the string to the blow ups, donated materials for the displays (scatter), cut off the tags to the stuffed animals, created homemade prizes, froze to put up lights, found my lost keys (once), helped fill the bags for both holidays, purchased items needed, donated hay, donated pumpkins, ran with my ideas, fixed the lights, took down the big tree lights, put in new outlets, shoveled off display, put trees back up, made the wood reindeer, patched the blow ups, checked on the displays, instantly became Santa, put displays back together, cut down trees to make a banner display, brought over road cones, patrolled the scenes, decorated the ambulance and lastly each and every one of you and your heart. Mine is full. Middleton is truly a small town with a big heart.

Respectfully Submitted, Mary Knapp

2020 Sunrise Lake Milfoil Mitigation Program

The 2020 Sunrise Milfoil infestation was dramatically reduced. This was due to the new herbicide used in 2019. It was very successful and no milfoil was detected by NHDES early in 2020. NH DES conducted another survey in mid-summer and detected a found only a small amount of infestation in and around the Pinkham Cover. A Diver Assisted Suction Harvest was conducted by AB Aquatics in September and only harvested 20 gallons of the weed. That cost, after state grants, about \$600.

After consultation with NH DES, it has been determined that for 2021 we will be using only free divers to remove any plants that return. The State again will be conducting a milfoil survey beginning in the late spring.

We again have applied and have received State Grants for Milfoil Mitigation for 2021. It is hoped that we will need little mitigation this coming season. Funding for our treatment comes from the Milfoil Invasive Aquatic Species Capital Reserve Fund, which currently has a balance of \$17,724.

A new program will be conducted this year involving Sunrise Lake. Strafford Regional Planning Commission (SRPC) has been working with NHDES to fund a watershed management plan for Sunrise Lake. The project will focus on reducing phosphorus loading in the lake to improve water quality and reduce the occurrence of cyanobacterial blooms. The subsequent plan will provide a range of feasible approaches, stakeholder commitments, and identify funding sources in order to implement the phosphorus load reductions and restoration measures. SRPC has recently finalized a contract with Geosyntec Consultants to develop this plan and forming a project team to provide overall

guidance through the process. They are contacting Town staff, members of local government, relevant local boards or commissions (e.g., Conservation Commission), and other community champions to be part of the team and provide local knowledge about the lake and contribute to the sustainability of the project. This project is fully funded through a grant from NH DES and will help us plan for a better lake.

The Conservation Commission wants to thank the people of Middleton for supporting this effort. The ability to continue with the milfoil mitigation plans will enable the community to minimize the effects of invasive species in Sunrise Lake and control the infestation for the long term and improve the overall health of the lake for the residents of Middleton. Sunrise Lake is a major asset to the town and contributes a major portion of the town's property value and tax revenue.

John A. Mullen, Jr.
Vice Chair
Exotic Aquatic Species Coordinator
Middleton Conservation Commission

Town Meeting Minutes
Saturday March 14, 2020

Warrant Articles for Town Meeting 2020

Meeting called to order: Saturday March 14, 2020 at 9:00 am by Jack Savage-Moderator

Invocation by Pastor Tom Gardner

Article 1: To choose all necessary officers for the stated terms:

- Selectman for one, three (3) year term – James Knapp (Expires 2023)
- Selectmen for one, two (2) year term – Joe Varga (Expires 2022)
- Town Clerk /Tax Collector for one, three (3) year term – Janelle Guarino (Expires 2023)
- Budget Committee for two, three (3) year term- Laura Parker (Expires 2023)
Roxanne Tufts-Keegan (Expires 2023)
- Trustee of Trust Funds for two, three (3) year term (Expires 2023)

You are hereby further notified to meet at the Middleton Old Town Hall on Saturday the 14th day of March in the year 2020 at nine o'clock in the morning (9:00 am) to act on the following articles:

Jack Savage (Moderator) explained options to the town's people due to the Covid-19 situation. Option 1 is at this time or anytime during the meeting a motion can be made to continue the meeting at a later date so more town's people would be present. Option 2 is to address the operating budget warrants 2-6 to move forward with a budget and to continue the meeting at a later date for the remaining warrants. Option 3 is to address all warrants.

A show of hands showed the towns people have chosen to move forward with all warrants.

Article 2: To see if the Town will vote to raise and appropriate the Budget Committee's recommended amount of the sum of seven hundred fifty-seven thousand, seven hundred seven dollars (\$757,707) for Government operations. The Selectmen recommend \$ 761,637. This article does not contain appropriations contained in special or individual articles addressed. (Majority vote required)

Motion to approve as read: Scott Ferguson

2nd by: Roger Mains

Jon Hotchkiss explained the only difference between the budget committee and the selectmen is the selectmen put in a 5% raise and budget committee put in 3%. The raises will be across the board.

Recommended By Budget Committee	Recommended By Selectmen
Executive \$ 125,570	\$ 128,296
Election, Regis. Vitals \$ 30,191	\$ 30,191

Debt Service \$ 33,501	\$ 33,501
TOTALS \$757,707	\$ 761,637

(tax rate/1000 \$4.11)

Motion to Vote: All in Favor

ARTICLE 2- PASSED-\$757,707

Article 3: To see if the Town will vote to raise and appropriate the Budget Committee's recommended amount of the sum of four hundred seventy-eight thousand, five hundred one dollars (\$478,501) for Public Safety operations. The Selectmen recommend \$ 485,412. This article doesn't contain appropriations contained in special or individual articles addressed. (Majority vote required)

Motion to approve as read: Janet Kalar

2nd by: Bonnie Gagnon

Police Chief Greg Cooper explained that the budget for overtime last year was expended and the department did go over budget. 2019 was a rare case as staffing issues arisen due to being down 3 officers throughout the year. The Department is working hard to retain officers. There was also a cut to this year's equipment line. The department is in need of updating Tasers, also laptops or tablets need to be installed in police vehicles.

The Fire Chief Jake Bourdeau was asked regarding his budget. The cut to EMS will be a hardship as last year's budget was expended. Last year the budget for EMS with a total of 114.23% expended. The fire Department expended 92% of the Budget.

Motion to Amend Article 3: Randy Talon

2nd by: Mary Knapp

Amend to increase the Police line to \$354,248 (difference of + \$8,178) to bring overall budget to \$486,679

Motion to Vote as amended: Did NOT pass as amended.

Discussion continued regarding raises and equipment line breakdown for the Police line.

Motion to amend Article 3: Randy Talon

2nd by: Tracy Donovan-Laviolette

Amend to increase the Police line by \$3,300 to a total of \$481,801

Motion to vote as amended: PASSED as amended - \$481,801

Motion to amend article 3: Michael Donovan-Laviolette

2nd by: Mary Knapp

Motion to amend EMS line by an increase of \$1000.00 to a total of \$482,801

Motion to vote as amended: PASSED as amended- \$482,801

Recommended By Budget Committee

Recommended By Selectmen

Police \$ 346,070	\$ 354,248
Fire & Rescue \$ 60,321	\$ 58,110
EMS \$ 55,771	\$ 56,485
Building Inspection \$ 8,565	\$ 8,795
Emergency Management \$ 1,800	\$ 1,800
County Dispatch \$ 5,974	\$ 5,974

Motion to adjourn Town Meeting: Tracy Donovan-Laviolette
2nd by: Randy Talon

Meeting adjourned 12:03 pm

Respectfully submitted by:

Janelle Guarino

Town Clerk
Middleton NH

Established by state legislation in 1969 the regional planning commissions serve in an advisory role to local governments and community organizations. Strafford Regional Planning Commission's (SRPC) mission is to assure that the region is responsive to the needs of its residents through cooperative actions with municipalities and federal and state agencies, through the implementation of regional plans, and through local planning assistance. The Commission's professional staff provide transportation, land use, economic development, hazard mitigation, water, public health, and natural resource planning services; geographic information services (GIS); data collection and analysis; facilitation; and project management.

2020 Accomplishments:

(Value of each service provided at no additional cost to the town is included in parenthesis)

- Commenced work on a watershed plan for Sunrise Lake that will identify and quantify specific sources of phosphorus contributing to the lake's water quality impairments. This project will continue into 2021. (\$3,080)
- Conducted four NHDOT traffic counts to support local and statewide planning efforts. (\$600)
- inventoried four recreation sites for the Promoting Outdoor Play! project (POP!). (\$50)
- Provided transportation grant research and support. (\$160)
- Developed a new regional ArcOnline interactive map gallery and incorporated Middleton data into the online parcel viewer. (\$800)
- Ordered *New Hampshire Planning and Land Use Regulation* books for local land use boards. (\$7)

2020 Regional Accomplishments:

- Received program funding for Strafford Economic Development District from the Economic Development Administration (EDA).
- Secured funding through the EDA CARES Act to support economic recovery in response to the COVID-19 pandemic.
- Provided technical assistance during the COVID-19 pandemic by facilitating weekly Seacoast Economy phone calls for local businesses and municipalities.
- Gathered important stakeholders from across the region to attend a regional workshop with the purpose of informing SRPC's core plans.
- Successfully applied for funding through the TUFTS Health Plan Foundation to implement an age friendly planning project: Communities for Healthy Aging Transitions (CHAT).
- Convened the Brownfields Advisory Committee to provide an update on progress in 2020 and discuss the assessment program for 2021.
- Received a second round of funding through the NH Children's Health Foundation to build upon the regional recreational assets Pathways to Play project. The Promoting Outdoor Play! project will include the creation of an online resource that will connect families with young children to the many recreation resources available in the region. The online platform will include photos, amenities, and other information for each regional recreational site, and will be publicized in a marketing campaign to all eighteen communities.

- Created a regional ArcOnline map for the 2019 Local Source Water Protection grant project. This included data layers such as aquifers, water and sewer service areas, high-priority water supply lands, source water protection areas, and zoning districts that protect drinking water resources.
- Assisted in updating the 2020 Piscataqua Region Environmental Planning Assessment by collecting data from each of our communities, which included applicable town plans, local land use regulations and ordinances, and other available public information.

Goals for 2021:

- Complete the watershed plan for Sunrise Lake that will identify and quantify specific sources of phosphorus contributing to the lake's water quality impairments. This analysis will be used to develop an annual phosphorus loading budget, recommend reduction goals, and outline options for reducing phosphorus loading.
- In 2021 SRPC will update the regional Long-Range Transportation Plan, Comprehensive Economic Development Strategy, and Housing Needs Assessment, providing valuable information and data for local planning efforts.
- Complete a Communities for Healthy Aging Transitions (CHAT) community assessment for each municipality in the SRPC region with demographic data, information about municipal policies, and citizen feedback about communities' level of age-friendliness.
- Launch and market the dynamic, forward-facing online resource for Promoting Outdoor Play! (POP!) that will connect families with young children to the many recreation resources available in our region. Additionally, complete the outreach and engagement campaign to share and publicize this information with residents and visitors throughout the greater Strafford region.
- Continue Brownfields assessment and cleanup planning activities; expend current grant funds enough to meet threshold requirements for re-application to EPA in Fall 2021 (current grant must be at least 90% expended).

Commissioners:

- Jon Hotchkiss, Jan Hotchkiss

Dedication

The Town of Middleton is pleased to dedicate the 2020 Annual Report to all our Essential Workers.

To all the Firefighters, EMS, Police, Nurses, Clerks, Food Service, Retail, and every other person on the front lines who worked tirelessly through the COVID pandemic. It is with our greatest gratitude and thanks to all of you.

Thank you to all our Town Employees, for trudging through and keeping the Town open and running as smoothly as possible during this time.

This past year has been tough, and your dedication has not gone unnoticed.

A special THANK YOU to the residents of Middleton for your support and understanding during these difficult times.
